Advance Directives

You have the right to information on the Center's policy regarding Advance Directives. Applicable state forms will be provided upon request.

The center is not an acute care facility; therefore, regardless of the contents of any advanced directive or instructions from a health care surrogate, if an adverse event occurs during treatment, patients will be stabilized and transferred to a hospital where the decision to continue or terminate emergency measures can be made by the physician and family. If they have been provided to the center, a copy of the patient's Advanced Directive will be sent to the acute care facility with the patient.

If the patient or patient's representative wants their Advance Directives to be honored, the patient will be offered care at another facility that will comply with their wishes.

Complaints/Grievances: If you have a problem or complaint, please speak to one of our staff to address your concern. If necessary, your problem will be advanced to center management for resolution. You have the right to have your verbal or written grievances investigated and to receive written notification of actions taken.
